

IDOE Community Meetings

By Shawnta S. Barnes – August 19, 2017

On Monday, August 21, Indiana Superintendent of Public Instruction Dr. Jennifer McCormick will hold the first of nine community meetings. These meetings, held in various locations across the state, will update the public on various educational areas such as academics, assessment, school improvement, and state education

goals. Meetings are open to the public. This is an opportunity for educational stakeholders: parents, teachers and community members to learn about Indiana’s educational progress. Time will be allotted for questions and answers. Click [here](#) to register for an upcoming meeting.
