

MSDWT Safety Fair

By Shawnta S. Barnes – December 4, 2017

The Metropolitan School District of Washington Township is hosting a free Safety Fair in memory of Faith Promise Demak, a former student who died in a tragic accident.

Topics to be covered at the fair are: mental health, home, water/fire, medical, transportation, community, technology, community, and bullying.

The most precious jewels parents have are their children. If you have time to stop by the MSDWT Community and Education Center located at 8550 Woodfield Crossing Blvd, Indianapolis, IN 46260 on Monday, December 4, from 6-8 p.m., please do. A few hours at this fair will help parents and people who care for children to be better prepared to keep children safe.
